

Hannah Karp

Industrial Design | (513) 824-5152 | kapha@mail.uc.edu | hannahkarp.com

Experience

Priority Designs

Industrial Design Intern | Columbus, OH | Spring 2023

Developed creative solutions for clients in medical and consumer tech industries. Participated in brainstorming and research sessions. Developed Illustrator graphics and branding concepts, provided high level Photoshop sketches and renderings, and constructed softgoods prototypes using sewing techniques and fabric welding.

Acco Brands

Industrial Design Intern | Dayton, OH | Summer 2022

Improved manufacturing tech pack drawings for new and current products. Conceptualized new product ideas with off-site clients. Participated in product brainstorm sessions with marketing and industrial design teams. Improved skills in sewing and pattern making.

Thyssenkrupp Bilstein

Industrial Design Intern | Cincinnati, OH | Fall 2021

Worked on a variety of projects including website designs, car wraps, and high quality product renderings for clients including OshKosh, Ford, and Ram. Demonstrated abilities in sketching, CAD modeling, prototyping, and presentation.

Thyssenkrupp Bilstein

Industrial Design Intern | Cincinnati, OH | Spring 2021

Developed vehicle wrap designs for company events and trade shows. Produced high quality Keyshot renderings, After Effects animations, and Illustrator graphics for company collaborations with Tesla, Ford, Ram, and Toyota. Demonstrated skills in graphic design, product visualization, and presentation.
